## **Pebble Mine Fact Finding Moderator's Assignment**

Go to the following website: [http://www.bristolbayalliance.com/current\\_status.htm](http://www.bristolbayalliance.com/current_status.htm). Using these articles as a framework for understanding the issues involved in the Pebble Mine development, write down 10 open-ended questions (questions that cannot be answered with a simple yes or no, or single word answer) you will ask the pundits. Develop at least one specific question for each of the participants (Subsistence User from one of the villages that would be impacted by the mine, Mining CEO, Alaska Governor, Sport Fishing Lodge Owner, Commercial Fisherman, and Economist), and four general questions that could be fielded by any of the participants.
